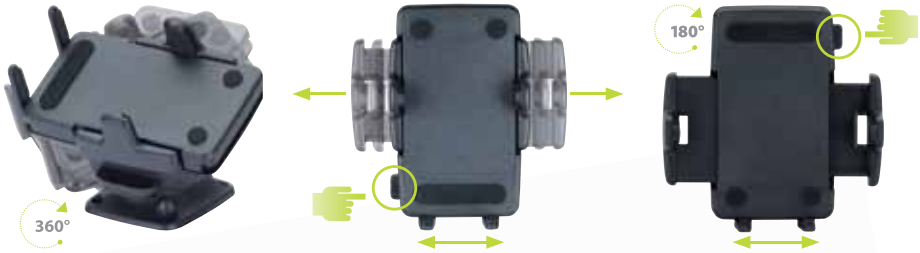
DASH kit

MOUNT & HOLDER

5 Years Guarantee | Designed in Germany | Made in Germany

360° | 4 QuickFIX



Dash Mount

- Attachment with screw mounting
- The base has an inclination angle of 25° in every direction and can be turned about its own axis
- The optimum setting can be secured with the integrated locking screw
- Includes mounting material

mini Smart Gripper 3

- Universal holder – suitable for almost all devices (with a width from 46 mm to 76 mm)
- The design of the clamping jaws prevents operation of the controls on the device from being impaired
- Especially suitable for smart phones, flat devices and MP3 players
- Simply insert the device and press together the lateral clamping jaws
- Release of the device at the push of a button
- Moving strips can be removed and the holder can be turned 180° (should controls on the side of the device be affected)

4QuickFIX-Adapter system

- Easy, quick installation and removal of a device holder with HR 4-hole adapter system
- Press lateral mechanism and insert claws
- Integrated pressure springs lock the claws in the holder
